

Creating and Configuring

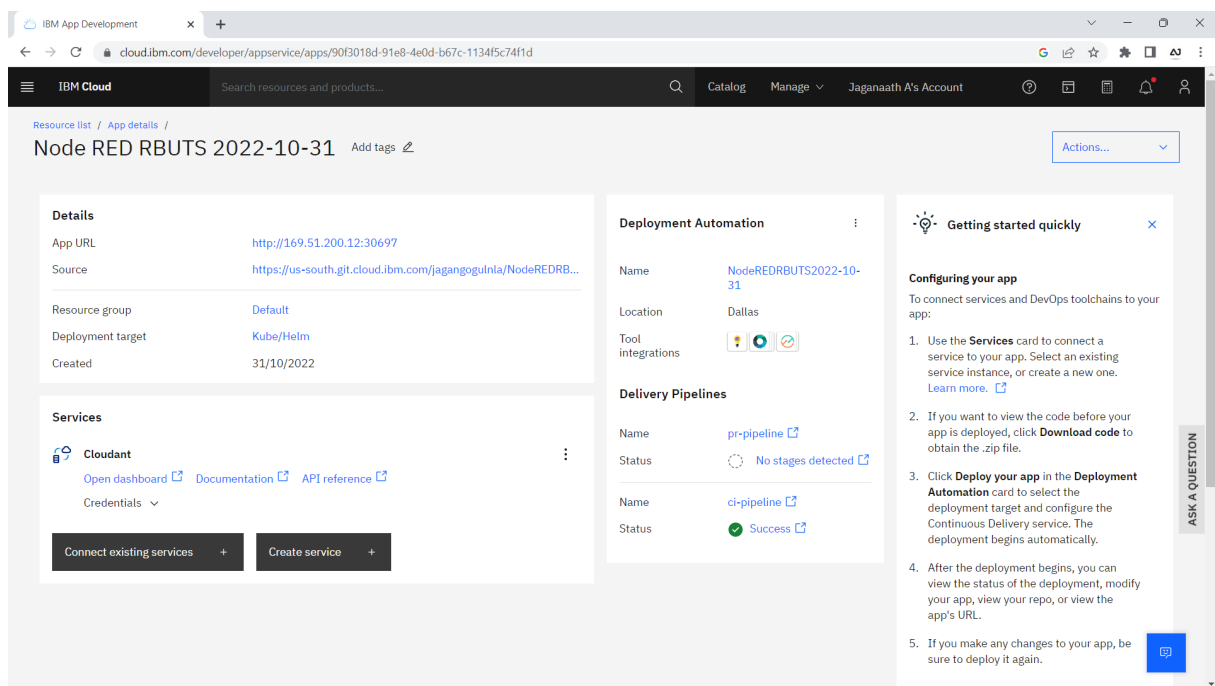

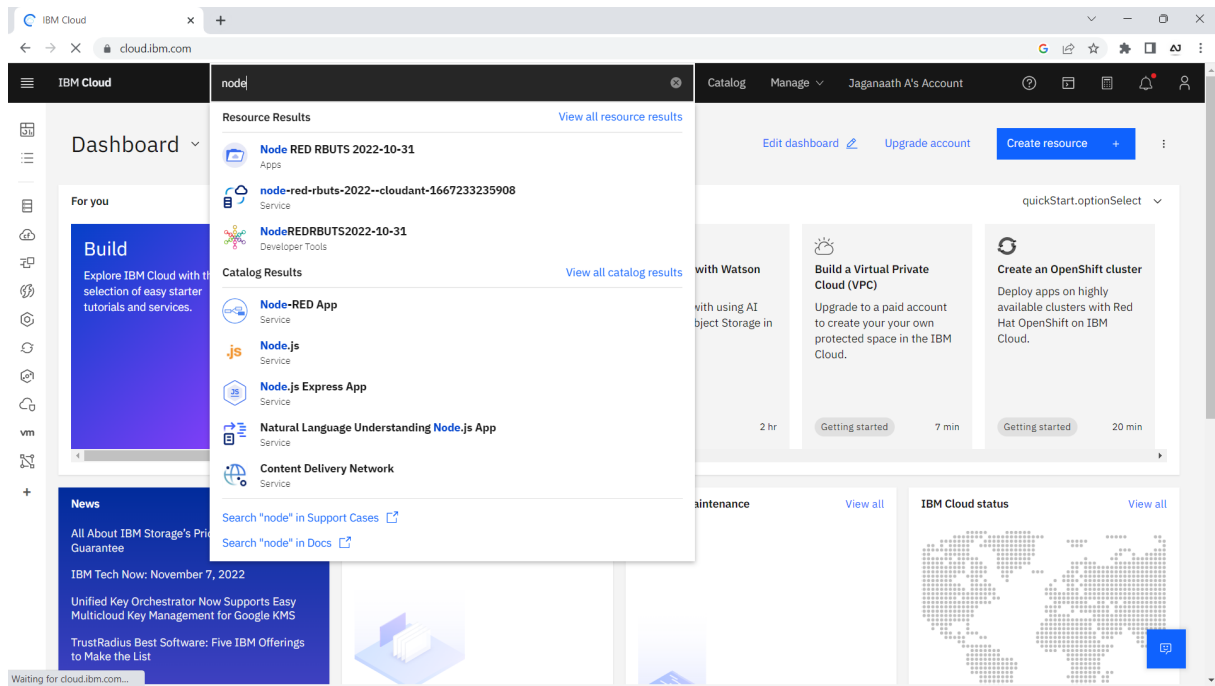

IBM Cloud Services

DATE	9 November 2022
TEAM ID	PNT2022TMID43363
PROJECT NAME	Hazardous Area Monitoring for Industrial Plant powered by IoT

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Jaganaath A's Account). Below the navigation bar, the main content area is titled "Dashboard" and includes links to "Edit dashboard", "Upgrade account", and a "Create resource" button. The dashboard is divided into several sections:

- For you:** A row of six tiles offering quick-start guides for various services: "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Set up your IBM Cloud account" (Learn how to set up your IBM Cloud account, manage your account settings, organize resources, and control access to those resources), "Build a web app with Watson Speech to Text" (Deploy a conversational interface compatible with any application, device, or channel), "Get Started with Watson Studio" (Get started with using AI and Cloud Object Storage in 15 minutes), "Build a Virtual Private Cloud (VPC)" (Upgrade to a paid account to create your own protected space in the IBM Cloud), and "Create an OpenShift cluster" (Deploy apps on highly available clusters with Red Hat OpenShift on IBM Cloud).
- News:** A section with a "View all" link, featuring articles such as "All About IBM Storage's Price and Supply Guarantee", "IBM Tech Now: November 7, 2022", "Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS", and "TrustRadius Best Software: Five IBM Offerings to Make the List".
- Recent support cases:** A section with a "View all" link, showing a list of support cases.
- Planned maintenance:** A section with a "View all" link, showing a list of planned maintenance events.
- IBM Cloud status:** A section with a "View all" link, showing a world map indicating the status of IBM Cloud services across different regions.

At the bottom left, there's a small status bar indicating "Waiting for cloud.ibm.com..."
